Arizona Community Physicians Credit Policy

All charges are due and payable upon receipt of this statement unless other arrangements have been made with Arizona Community Physicians Central Business Office.

If you have provided Arizona Community Physicians with your most current insurance information, we will file an insurance claim to any insurance company as a courtesy to you. If we do not hear or receive payment from your insurance company within 45 days, that amount will be transferred to your responsibility. If your insurance has not responded or has denied payment, please contact them for an explanation. We will be glad to assist you in any way possible with your billing questions and/or concerns.

All Arizona Community Physicians reserve the right to obtain Assignment of Benefits and/or Waiver Form for payment of balances accrued at any of our locations.

It is ultimately your responsibility to know which Arizona Community Physicians provider does participate with your insurance plan, what procedures are allowed and to ensure Arizona Community Physicians has your most current insurance information.

Insurance overpayments are due to the Insurance Company and not to the patient.

In case of errors or questions about your bill, notify us
